

To: Mayor and Council  
City of Dunwoody

From: J. Jay Vinicki  
Assistant City Manager

Thru: Eric Linton  
City Manager

Date: 22 March 2021

Subject: CARES - Household Hazardous Waste

### **Background**

This agenda item is seeking authorization for up to \$40,000 of CARES II Funding to be used on household hazardous waste events this year. The funding would come out of the City Services function.

When the pandemic hit, the funding for recycling household hazardous waste was eliminated in the General Fund. Given that there has been increases in “at home” life, the amount of waste has risen as a prominent issue. The need for its restoration exists.

After review, staff opines that the use of CARES II Funding to pay for this event matches the intent of Mayor and Council in providing essential city services affected by COVID; however, staff wishes to bring it to Mayor and Council for concurrence.

### **Recommended Action**

Authorization of up to \$40,000 of CARES II Funding to be used to restore the Household Hazardous Waste events in 2021.
